**Subject: Prescription for Transtibial Prosthetic Limb and Fundraising Authorization**

This is to certify that Mr. Naraina Jean Desire Clarel, ID no. N1306800101742, who has undergone a lower limb amputation, requires a prosthetic leg to enhance mobility and improve overall quality of life.

The total cost of the prescribed prosthesis is estimated at MUR 249 513.00

Due to financial constraints, the patient intends to organize a fundraising initiative to cover the cost of the prosthesis. I fully support this effort and confirm that the funds raised will be solely used for the procurement and fitting of the prescribed prosthetic limb.

Yours sincerely,

Paul Nel
